## Information letter

### 2022 International Young Scholars' Conference

**May 25-27, Suleyman Demirel University, Kazakhstan**

**Eligibility:** Any young researcher in any field (Masters or PhD student or PhD+5 years)

**Objective:** Bring together young scholars from all around the world, share research practices and ideas and attend training sessions of experienced international senior researchers.

**Description:** International Young Scholars' Conference (IYSC) is an international multidisciplinary event organized by Suleyman Demirel University. Any young researcher and scientist willing to present their published or ongoing research work or ideas are welcome to apply for participation. Aside from research talks and presentations by young researchers, there will be plenary talks and training sessions by experienced senior scholars. There will be the Best Young Scientist awards competition and the certificates will be presented to the winners in the beginning of the event.

**Venue:** Suleyman Demirel University, 1/1 Abylai Khan Street, Kaskelen, Kazakhstan 040900.

**Submission guidelines:** Young researchers willing to make a 15 minute research presentation in the workshop must submit their abstract of the talk of at least 150 words. Within 10 days of receiving the abstract you will receive a notification of acceptance/rejection. After the acceptance of the abstract, you can submit your full article for publication in conference proceedings.

Deadline to submit the abstract and CV: April 17, 2022

Decision to accept or reject the Abstract: April 30, 2022

Deadline to submit the full paper (optional): May 10, 2022

Conference fee payment deadline: May 15, 2022

Deadline to register as a listener **without** presentation: May 20, 2022

**To register and submit your abstract and/or CV please visit:**
